

## The LiiNK Project: Year 2 Private School Listening Results 2014-2015

*Our mission is to bridge the gap between academics and the social, emotional and healthy well-being of children. The LiiNK Project aims to develop the whole child through increased recess and character development.*

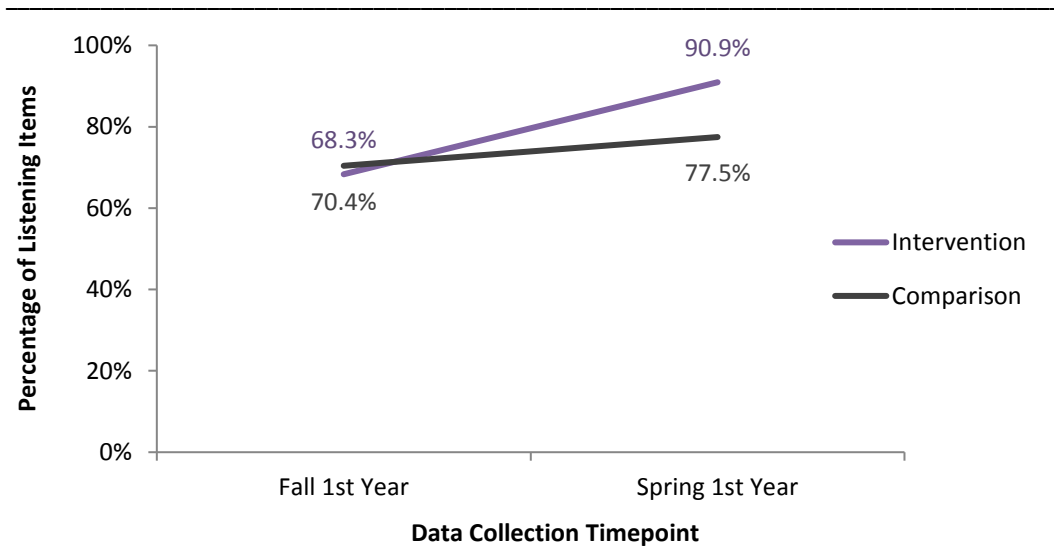

Figure 1. Mean percentage of listening items correct in the fall and spring of the first year that the intervention and comparison groups were in the project.

---

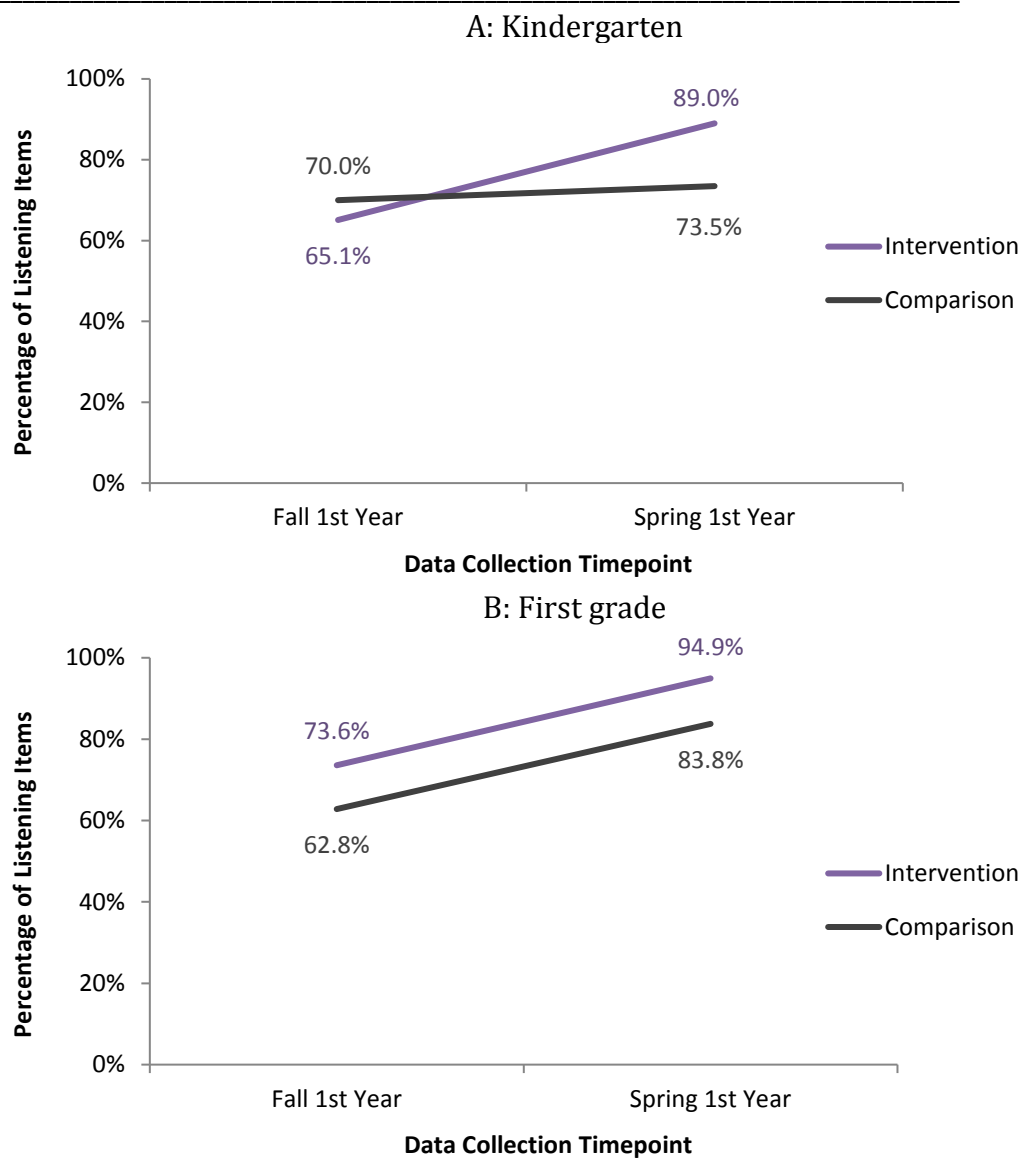

Figure 2. Mean percentage of listening items correct for kindergarten and first grade in the fall and spring of the first year that the intervention and comparison group were in the project.

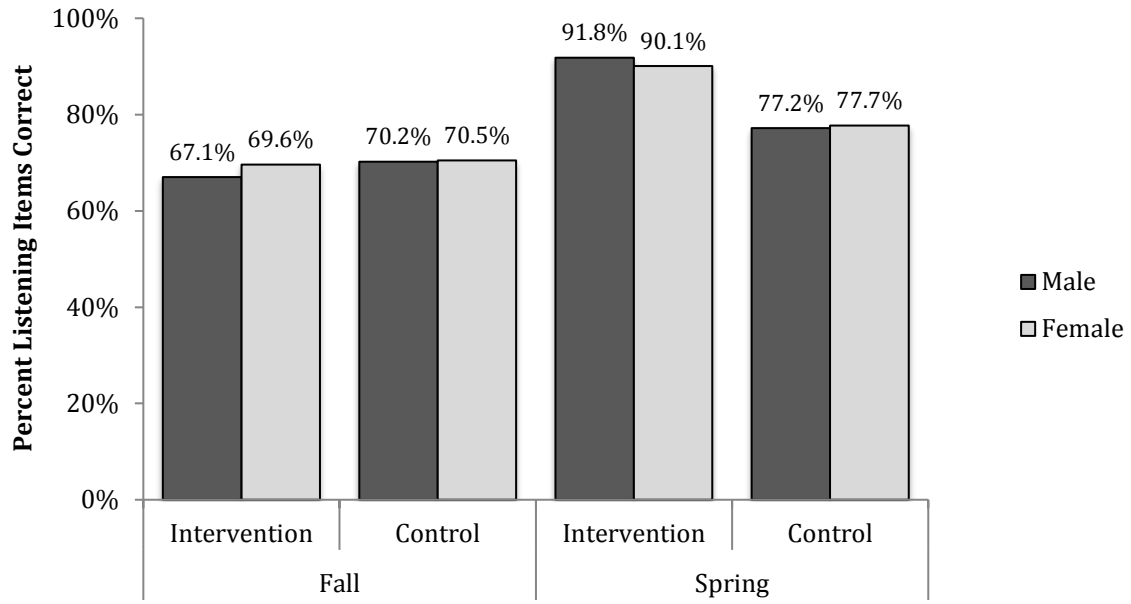

Figure 3. Mean percentage of listening items correct by gender, group, and semester the first year that the intervention and comparison group were in the project.
