

Hi everyone!

We invite you to join us today, Thursday, November 9th, for **TCU Gives Day** as TCU highlights some people and programs, including the LiiNK Project! The LiiNK Project Team thanks you for all you do to make this project successful, and we are striving to continue to impact the social, emotional, and healthy well-being of students for years to come. We are able to sustain the project thanks to the generosity of TCU, school districts, and donations from sponsors. With this in mind, even a \$1 donation will help LiiNK achieve its goal of developing the whole child through increased recess and character development. Please take this opportunity to share this information to anyone who may be looking to contribute a year-end gift in support of LiiNK on November 9th.

If you would like to make a contribution on TCU Gives Day, please follow these steps:

1. Visit TCU Gives Day website: <http://tcugivesday.tcu.edu/>
2. Click "Make a Gift" at the top of the screen
3. \*\*\*Under "Gift Designation," select "Other"
4. \*\*\*Indicate in the box that you would like your gift submitted to "The LiiNK Project"

If you would like to make a contribution on another day before the end of the year, please visit [makeagift.tcu.edu](http://makeagift.tcu.edu), and follow steps 3 & 4 above.

Be sure to check out the **LiiNK Facebook Page** for updates about TCU Gives Day and other LiiNK-related news!
