

Let's Inspire Innovation 'N Kids

The LiINK Project: Year 2 Private School Classroom Behavior Results 2014-2015

Our mission is to bridge the gap between academics and the social, emotional and healthy well-being of children. The LiINK Project aims to develop the whole child through increased recess and character development.

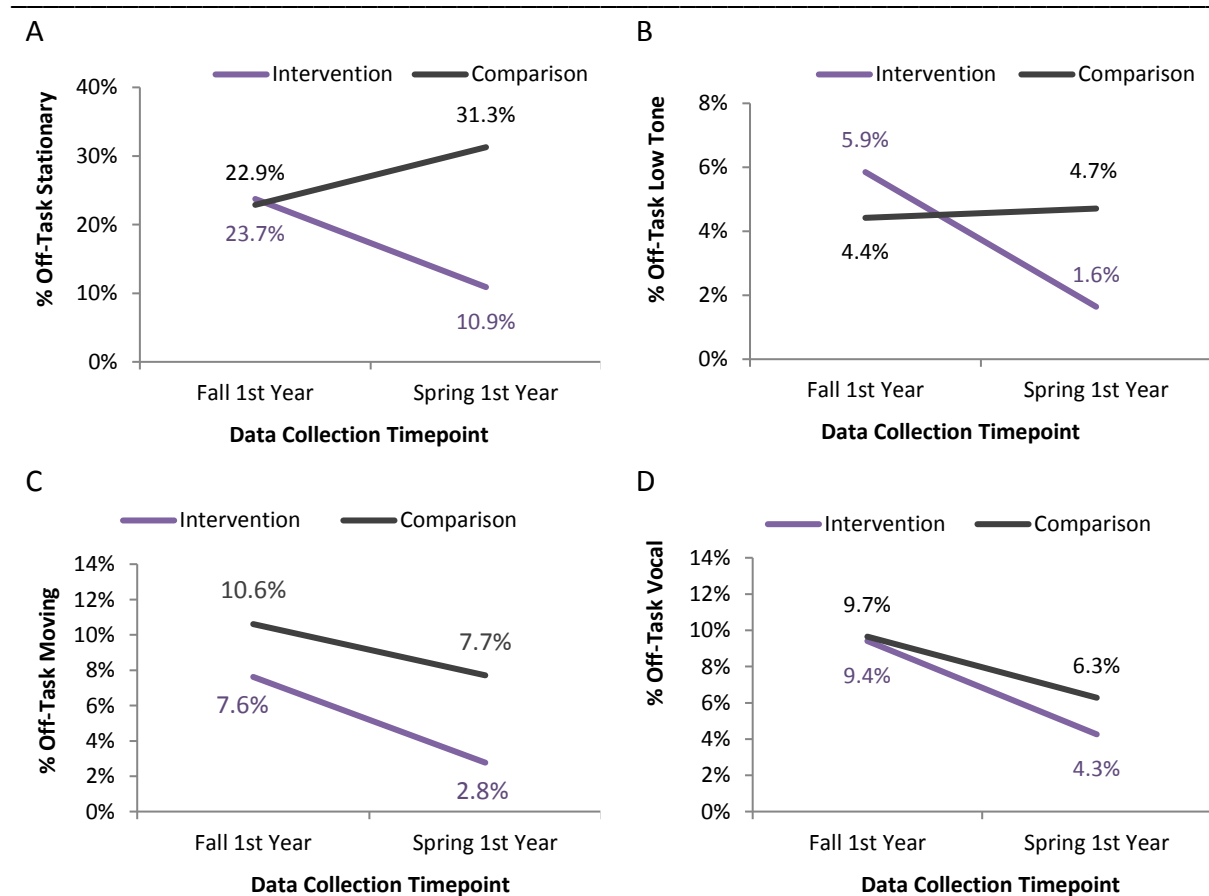

Figure 1. Mean percentage of overall and specific off-task behaviors in the fall and spring of the first year that the intervention and comparison groups were in the project.

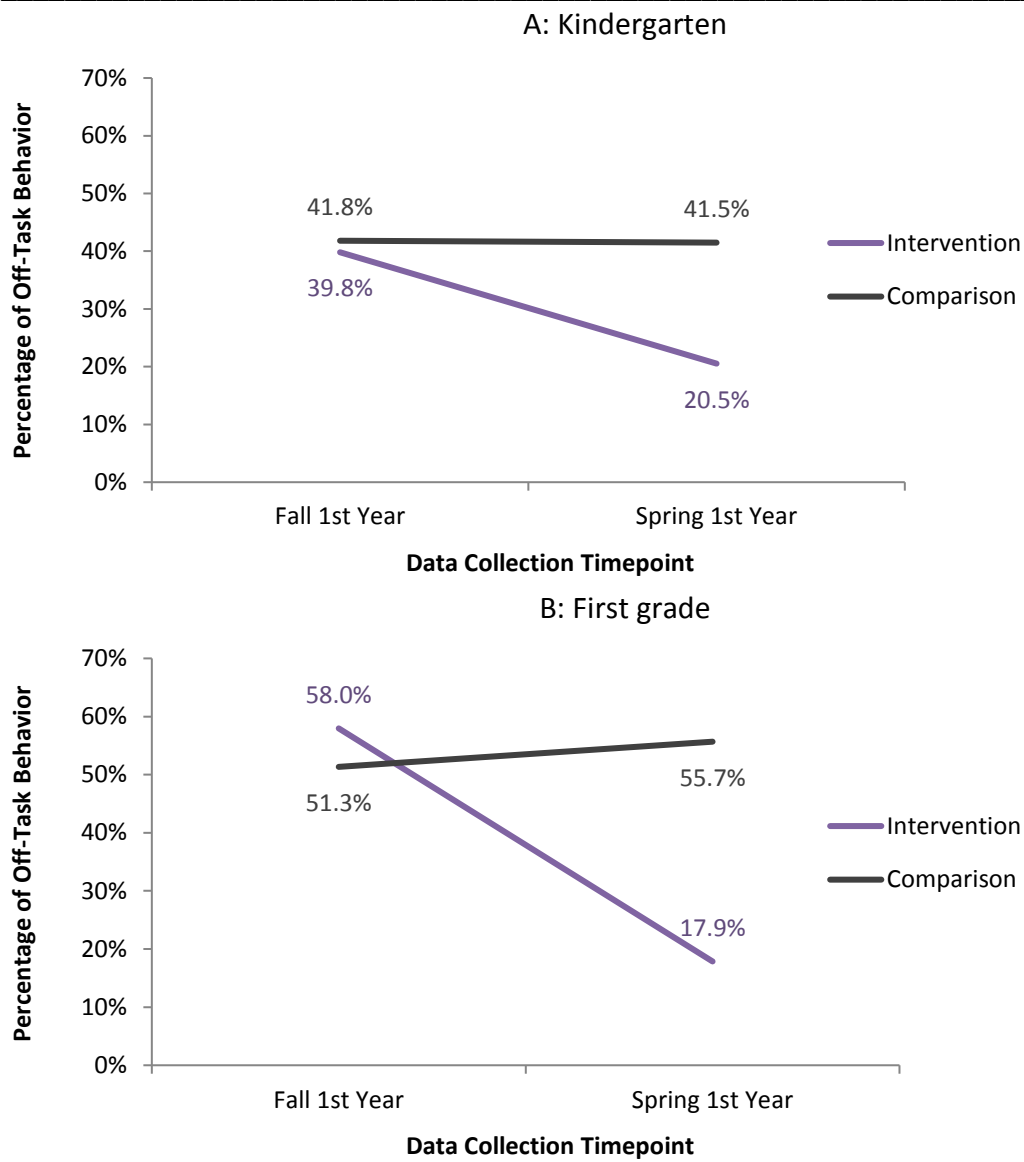

Figure 2. Mean percentage of overall off-task behaviors for kindergarten and first grade in the fall and spring of the first year that the intervention and comparison groups were in the project.
